- Serger Tips – Trouble Shooting Stitches

Fabric, Patterns and Sewing Supplies are found on:

[The Angela Wolf Pattern Collection](#)

It's a good idea to test serging the fabric you are using for a certain project. An easy way to determine which setting on the serger needs adjusting is to thread the loopers and needles with different colored thread as seen here. Now when you adjust the tension on one setting, you will see the results according to thread color.
