

## Season 600 - The Little Black Dress

- Lining as Facing

**Fabric:** All the fabrics I use on **It's Sew Easy TV** come from [Vogue Fabrics](#)  
**Patterns and Sewing Supplies:** [The Angela Wolf Pattern Collection](#)

Even if your dress pattern has a facing for the neckline, it's really easy to change that to lining. Simply cut the dress pattern out of lining. Cut the hemline 1" shorter and trim off 1/8" along the neckline and armhole edges.

Attach the lining just like we did in the last episode with the facing and Understitch along the lining seam edge.

My favorite lining fabrics:

- Ambiance
- Silk charmeuse
- China silk
